

REMARKS

Reconsideration of this application is respectfully requested.

In response to the Examiner's rejection for indefiniteness under 35 USC §112 for claim 1 applicant has changed the objectionable language from "such as" to --including--. This change has also been made in claim 8. It is believed that the amendment of claims 1 and 8 are in conformity with the requirements of 35 USC §112. Withdrawal of the Examiner's rejection of claims 1-7 under 35 USC §112 is thus respectfully requested.

Accompanying this Amendment is applicant's Terminal Disclaimer which is believed to overcome the rejection based on non-statutory double patenting.

In view of the foregoing remarks and amendments and the Terminal Disclaimer it is respectfully submitted that all of the non-withdrawn claims 1-7, and 12-19 in this application are in condition for allowance, and allowance thereof is respectfully requested.

Respectfully submitted,

/Philip Rodman/
